STIPULATION OF SETTLEMENT

This Stipulation of Settlement (including the Exhibits) (collectively, the “Stipulation”) is entered into this 7th day of December, 2021 between Co-Lead Plaintiffs Charles M. Francisco, III and Iron Workers Local 580 – Joint Funds (“Plaintiffs”) (on behalf of themselves and each of the putative Class Members), and Honeywell International Inc. (“Honeywell” or the “Company”), Darius Adamczyk, and Thomas A. Szlosek. This Stipulation is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined below) upon and subject to the terms and conditions herein.

WHEREAS, the first complaint in this Action was filed on October 13, 2018 (ECF No. 1);

WHEREAS, on February 6, 2019, the Court appointed Mr. Francisco lead plaintiff (ECF Nos. 13-14) and on September 10, 2019, Mr. Francisco moved to substitute his former counsel with Kahn, Swick & Foti LLP as lead counsel and DeCotiis, Fitzpatrick, Cole & Giblin, LLP as local counsel (ECF No. 57);

WHEREAS, on December 16, 2019, the Court granted Mr. Francisco’s motion to substitute counsel, and granted leave for Mr. Francisco to amend his complaint (ECF Nos. 75-76. Mr. Francisco filed his amended complaint (the “Complaint”) (ECF No. 80);

WHEREAS, Defendants moved to dismiss the Complaint, which the Court denied on May 18, 2020 (ECF Nos. 106-07), noting that the timing of Mr. Francisco’s purchases may be problematic “at the class certification stage.” (ECF No. 106 at 4 n.4);

WHEREAS, to address the timing issue a notice was published soliciting prospective co-lead plaintiffs who had purchased prior to the first disclosure, and pursuant to that notice Iron Workers moved to be appointed as co-lead plaintiff (ECF No. 136), which the Court granted, appointing Iron Workers as co-lead plaintiff and its counsel, Pomerantz LLP, co-lead counsel (ECF No. 147);

WHEREAS, pursuant to procedures directed by the Court, Plaintiffs prepared and served a motion for class certification, which was not fully briefed at the time of this Settlement; and

WHEREAS, the Parties have agreed to enter into this Stipulation solely to avoid the uncertainties, burden and expense of further litigation and to put the Released Claims to rest finally and forever. Nothing in this Stipulation shall be construed as or deemed evidence supporting an admission by either Defendants or any of the Released Parties with respect to any of Plaintiffs' allegations or claims, or of any wrongdoing, fault, liability or damages whatsoever.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED between Plaintiffs and Defendants, by and through their undersigned counsel, that the Action and the Released Claims shall be settled, compromised, and dismissed with prejudice, subject to the approval of the Court, in the manner and upon the terms and conditions hereafter set forth.

II. The Settlement

a. The Settlement Class

2.1 The Parties stipulate, for purposes of this Stipulation and the Settlement only, to the certification of the Class pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure. If for any reason (including the exercise of a right to terminate under the Stipulation) Final Approval of the Settlement is not granted, then the certification of the Class shall become null and void without further order of the Court or any other court and the Released Defendants’ Parties shall retain all of the rights to oppose class certification (and assert all other arguments and defenses) that they had prior to execution of this Stipulation.

b. The Settlement Fund

2.2 Defendants shall cause to be paid the Settlement Amount within the time set forth in ¶ 2.3 of this Stipulation, below, into the Escrow Account in settlement of the Action and the Released Claims which, with any accrued interest, shall constitute the Settlement Fund. Other than the sole and exclusive obligation of Defendants to cause to be paid the Settlement Amount to the Escrow Agent, neither Honeywell nor any other Defendant shall have any obligation to make any payment into the Settlement Fund pursuant to this Stipulation or the Settlement.

2.3 Subject to the terms of this Stipulation, Defendants shall cause to be paid \$1,000,000 into the Escrow Account within twenty (20) business days following the later of (i) the Preliminary Approval Order, or (ii) Co-Lead Counsel's provision of all required funding information, including without limitation wire instructions, verbal confirmation of such instructions, and a Form W-9 with a tax identification number. Defendants shall cause the Escrow Account to be funded with the remaining \$9,000,000 no later than twenty (20) business days thereafter. The interest from this Escrow Account will accrue to the benefit of the Class if the Court approves the Settlement. But, if the Court does not grant final approval of the Settlement, the interest and payment will be returned to Defendants less any amounts actually expended for Notice and administration, within ten (10) business days. If the Settlement Amount is not timely paid by Defendants in accordance with the provisions of this paragraph (and provided that Co-Lead Counsel has timely provided the wire instructions and taxpayer identification detailed above), Plaintiffs may require interest to be paid by Defendants on any amounts past due at the published three-month LIBOR rate per annum on such dates, from the date the past due amount should have been paid until the past due amount is paid.

2.4 This is not a claims-made settlement. Defendants will have no ability to recapture any of the Settlement Amount unless the Settlement is terminated or does not become effective as set forth in Section 7 of this Stipulation.

2.5 The Released Defendants' Parties shall have no responsibility for or incur any liability with respect to the management, investment, or distribution of the Settlement Fund or Net Settlement Fund or for any losses suffered by, or fluctuations in the value of, the Settlement Fund or Net Settlement Fund.

c. The Escrow Agent

2.6 The Escrow Agent shall invest the Settlement Fund, or any portion thereof, in instruments backed by the full faith and credit of the United States Government or fully insured by the United States Government or its agencies and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates.

2.7 The Escrow Agent shall not disburse the Settlement Fund except as provided in the Stipulation or by Court order. Upon Final Approval of the Settlement and completion of the claims processing, the Escrow Agent shall distribute the Net Settlement Fund (as defined below) in accordance with the Court-approved Plan of Allocation without further order of the Court.

2.8 Subject to further order and/or direction as may be made by the Court, the Escrow Agent is authorized to execute transactions on behalf of the Class Members that are consistent with the terms of the Stipulation.

2.9 All funds held by the Escrow Agent shall be deemed and considered to be *in custodia legis* of the Court and shall remain subject to the jurisdiction of the Court until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

2.10 After payment of the Settlement Fund to the Escrow Agent, Co-Lead Counsel may establish a "Class Notice and Administration Fund" of up to \$250,000 from the Settlement Fund.

No further disbursements shall be made from the Settlement Fund, except with the approval of the Court. The Class Notice and Administration Fund may be used by Co-Lead Counsel, without prior approval of the Court, only to pay the Claims Administrator for costs and expenses reasonably and actually incurred in connection with providing notice to the Class (including any reimbursement of banks, brokerage houses or other nominees solely for their reasonable out-of-pocket expenses incurred in providing notice to beneficiaries who are Class Members, which expenses would not have been incurred except for the sending of such notice, subject to further order of the Court with respect to any dispute concerning such compensation), locating Class Members, assisting with the filing of claims, administering and distributing the Settlement Fund to Authorized Claimants, processing Proof of Claim and Release forms, and paying escrow fees and costs, if any. The Class Notice and Administration Fund also may be invested and earn interest as provided for in ¶ 2.6 of this Stipulation.

2.11 The Released Defendants' Parties shall not have any responsibility for or incur any liability with respect to: any act, omission, or determination of or by the Escrow Agent, or any designees or agents thereof; the Class Notice and Administration Fund; the administration of, distribution of, or disbursement from the Class Notice and Administration Fund; the Settlement Fund; the administration of, distribution of, or disbursement from the Settlement Fund; the Net Settlement Fund; or the administration of, distribution of, or disbursement from the Net Settlement Fund.

d. Taxes

2.12 The Parties and the Escrow Agent agree to treat the Settlement Fund at all times as a "qualified settlement fund" within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable, including the "relation-back election" (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such

elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Claims Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

2.13 For the purpose of Section 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Claims Administrator. The Claims Administrator shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. §1.468B-2(k)). Such returns shall reflect that all Taxes (including any estimated Taxes, interest or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in ¶ 2.14 of this Stipulation.

2.14 All Taxes (including any estimated Taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including: (i) any Taxes or tax detriments that may be imposed upon the Released Defendants’ Parties with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes (“Taxes”); and (ii) expenses and costs incurred (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) tax returns (“Tax Expenses”)), shall be paid out of the Settlement Fund; in no event shall the Released Defendants’ Parties have any responsibility for or liability with respect to the Taxes or the Tax Expenses. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court and the Escrow Agent shall be obligated

(notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(1)(2)). The Parties hereto agree to cooperate with the Claims Administrator, the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of ¶¶ 2.12 to 2.14 of this Stipulation.

2.15 For the purpose of ¶¶ 2.12 to 2.14 of this Stipulation, references to the Settlement Fund shall include the Settlement Fund, the Class Notice and Administration Fund and the Net Settlement Fund and shall also include any earnings on each of the foregoing.

e. Effect of Termination or Lack of Effectiveness of Settlement

2.16 In the event that the Effective Date does not occur or the Settlement is terminated or does not become effective for any reason, including, without limitation, in the event that the Settlement is not approved by the Court or the Judgment is reversed or vacated following appeal, the Settlement Fund and the Class Notice and Administration Fund and the Net Settlement Fund (in each case, including accrued interest), less administration expenses actually incurred in connection with the Settlement provided for herein, shall be refunded to Honeywell as provided in ¶ 7.3 of this Stipulation, below, within ten (10) business days of termination of the Settlement.

III. Preliminary Approval Order and Settlement Hearing

3.1 Promptly after execution of the Stipulation, and no later than December 7, 2021, Plaintiffs shall submit the Stipulation together with its Exhibits to the Court and shall apply for entry of the Preliminary Approval Order, substantially in the form of Exhibit A hereto, requesting, *inter alia*, the preliminary approval of the Settlement set forth in the Stipulation, and approval for the Notice of Pendency and Proposed Settlement of Class Action (the “Notice”) substantially in the form of Exhibit A-1 hereto, the Proof of Claim and Release (the “Claim Form”) substantially

3.2 Co-Lead Counsel shall request the Court to schedule a hearing after notice is given (the “Settlement Hearing”) at which hearing Plaintiffs will seek final Court approval of the Settlement and entry of the Judgment. At the Settlement Hearing, Co-Lead Counsel also will request that the Court approve the proposed Plan of Allocation and the Fee and Expense Application, as provided for in ¶¶ 3.1 and 6.1 to 6.4 of this Stipulation. The form of Preliminary Approval Order submitted to the Court shall specifically include provisions that, among other things, will:

(j) Find that the notice given pursuant to subparagraphs (c)-(i) above constitutes the best notice practicable under the circumstances and constitutes valid, due and sufficient notice to all Class Members, complying fully with the requirements of Rule 23 of the Federal Rules of Civil Procedure, the Constitution of the United States, and any other applicable law;

(k) Schedule the Settlement Hearing to be held by the Court to consider and determine whether the Settlement should be approved as fair, reasonable and adequate, and whether the Judgment approving the Settlement should be entered;

by the Court at the Settlement Hearing only if, on or before the date specified in the Preliminary Approval Order, Persons making objections shall have filed and served written objections (which shall set forth each objection and the basis therefore) and copies of any papers in support of their position as set forth in the Notice; and

IV. Releases

4.1 Upon the Effective Date, as defined in ¶ 7.1 of this Stipulation, Plaintiffs and each of the Class Members who have not opted out of the Settlement in accordance with the procedures provided in the Notice, on behalf of themselves, their respective present and former parent entities, subsidiaries, divisions, and affiliates, the present and former employees, officers, directors, advisors, partners, and agents of each of them, and the predecessors, heirs, executors, administrators, trusts, family members, successors and assigns of each of them, and anyone claiming through or on behalf of any of them, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims as against the Released Defendants' Parties, or any of them, whether or not such Class Member executes and delivers a Claim Form or participates in the Settlement Fund.

4.2 Upon the Effective Date, all Class Members and anyone claiming through or on behalf of any of them, will be forever barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting, or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity), asserting any of the Released Claims against any of the Released Defendants' Parties.

4.3 Upon the Effective Date, with respect to any and all Released Claims, Plaintiffs shall expressly waive, and each Class Member shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights and benefits conferred by California Civil Code § 1542 (to the extent it applies) or any other law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiffs, for themselves and on behalf of all Class Members, expressly acknowledge that they may hereafter discover facts in addition to or different from those that any of them or their counsel now know or believe to be true with respect to the subject matter of the Released Claims or otherwise, but upon the Effective Date, Plaintiffs expressly shall have, and each Class Member shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, that now exist or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts. Plaintiffs acknowledge, and the Class Members shall be deemed to have acknowledged, and by operation of the Judgment shall have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement of which this release is a part.

4.4 Upon the Effective Date, each of the Released Defendants' Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Plaintiffs' Parties from the Released Defendants' Claims, except for those claims brought to enforce the Settlement.

4.5 Upon the Effective Date, the terms of 15 U.S.C. § 78u-4(f)(7) shall apply to this Settlement, including that the Judgment shall provide that Contribution Claims shall be barred. The Judgment shall further provide specifically that it shall not bar any Contribution Claim by Honeywell against Released Defendants' Parties or Released Plaintiffs' Parties whose liability for the Released Claims has been extinguished by the Settlement.

V. Administration and Calculation of Claims, Final Awards, and Supervision and Distribution of Settlement Fund

5.1 The Claims Administrator shall administer and calculate the claims submitted by Class Members under the supervision of Co-Lead Counsel and pursuant to the Preliminary Approval Order entered by the Court.

5.2 Subject to the terms of this Stipulation and any orders of the Court, the Settlement Fund shall be applied as follows:

(a) to pay all the costs and expenses reasonably and actually incurred in connection with providing notice, locating Class Members, assisting with the filing of claims, administering and distributing the Settlement Fund to Authorized Claimants, processing Claim Forms, and pay escrow fees and costs, if any;

(b) to pay Taxes and Tax Expenses;

(c) after the Effective Date, to pay Co-Lead Counsel's and Local Counsel's attorneys' fees and expenses, and to pay Co-Lead Plaintiffs for their time and expenses, if and to the extent allowed by the Court (the "Fee and Expense Award");

(d) after the Effective Date, to distribute the Net Settlement Fund to Authorized Claimants as allowed by the Stipulation (including ¶¶ 5.3-5.7 below) and the Plan of Allocation and any other applicable order of the Court.

5.3 Upon the Effective Date and thereafter, and in accordance with the terms of the Stipulation and the Plan of Allocation, the Net Settlement Fund shall be distributed to Authorized Claimants, subject to and in accordance with ¶¶ 5.4 through 5.7 below.

5.4 Any Person falling within the definition of the Class may be excluded from the Class by submitting to the Claims Administrator a request for exclusion which complies with the requirements set forth in the Notice and is postmarked no later than fourteen (14) days prior to the date of the Settlement Hearing. Any Person who submits a valid and timely request for exclusion (and does not subsequently revoke this request for exclusion) shall have no rights under the Stipulation, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Stipulation (including the releases herein) or the Judgment. However, a Class Member may submit a written revocation of a request for exclusion within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court, and may receive payments pursuant to this Stipulation and Settlement provided the Class Member also submits a valid Claim Form, as set forth in ¶ 5.6 below, within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court.

5.5 Within ninety (90) days after the mailing of the Notice or such other time as may be set by the Court, each Person claiming to be an Authorized Claimant shall be required to submit to the Claims Administrator a completed Claim Form, signed under penalty of perjury and supported by such documents as are specified in the Claim Form and as are reasonably available to the Authorized Claimant.

5.6 All Class Members who fail to timely submit a Claim Form within ninety (90) days after the mailing of the Notice, or such other period as may be ordered by the Court, shall be forever barred from receiving any payments pursuant to the Stipulation and the Settlement, but will in all other respects be subject to and bound by the provisions of the Stipulation, the releases contained herein, and the Judgment.

5.7 The Net Settlement Fund shall be distributed to the Authorized Claimants substantially in accordance with a Plan of Allocation to be described in the Notice and approved by the Court. If there is any balance remaining in the Net Settlement Fund after six (6) months from the date of distribution of such Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), such balance shall be reallocated among and distributed to Authorized Claimants in an equitable and economic fashion, or used to pay any outstanding amounts due to the Claims Administrator. Should any balance remain, Plaintiffs will propose to the Court for its approval an appropriate 501(c)(3) non-profit organization(s) beneficiary.

5.8 No Person shall have any claim against Plaintiffs' Counsel, the Claims Administrator, or other entity designated by Co-Lead Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained herein, the Plan of Allocation, or further order(s) of the Court.

5.9 It is understood and agreed by the Parties that any proposed Plan of Allocation of the Net Settlement Fund including, but not limited to, any adjustments to an Authorized Claimant's claim set forth therein, is not a part of the Stipulation and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement, and any order or proceeding relating to the Plan of Allocation shall not operate to terminate or cancel the Stipulation or affect or delay the finality of the Judgment or Settlement of

the Action (including the releases contained in the Stipulation), or any other orders entered pursuant to the Stipulation.

5.10 Defendants will take no position with respect to the Plan of Allocation. The Plan of Allocation is a matter separate and apart from the Settlement and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the Settlement.

5.11 The Released Defendants' Parties shall not have any responsibility for or incur any liability with respect to: any act, omission, or determination of or by the Claims Administrator, or any designees or agents thereof; any act, omission, or determination of or by any other entity designated by Co-Lead Counsel as referenced in ¶ 5.8 of this Stipulation; the Plan of Allocation; or the administration of the Plan of Allocation, except that the Released Defendants' Parties shall be responsible for providing any required notice under the Class Action Fairness Act of 2005 ("CAFA"), if any, at their own expense, no later than ten (10) calendar days following the filing of this Stipulation with the Court.

VI. Attorneys' Fees and Reimbursement of Expenses and Co-Lead Plaintiffs' Expenses

6.1 Co-Lead Counsel and Local Counsel may submit an application or applications for distributions to them from the Settlement Fund for: (a) an award of attorneys' fees; and (b) reimbursement of litigation expenses, including the fees of any experts, consultants, and investigators incurred in connection with prosecuting the Action, plus any interest on such attorneys' fees and expenses accrued at the same rate and for the same periods as earned by the Settlement Fund (until paid), as may be awarded by the Court (the "Fee and Expense Application"). Co-Lead Plaintiffs may also submit an application to compensate for their time and expenses in connection with the prosecution of the Action. Such Fee and Expense Application shall seek an award of attorneys' fees in an amount not greater than twenty-nine and two-tenths

percent (29.2%) of the Settlement Fund, and reimbursement of expenses incurred in connection with the prosecution of this Action not to exceed \$175,000. Such Fee and Expense Application is subject to the approval of the Court. Co-Lead Plaintiffs will seek no more than \$10,000 each as reimbursement for their time and expenses in diligently overseeing the prosecution of this Action, reviewing drafts of court filings, reviewing and responding to discovery requests, and producing documents, and preparing for deposition.

6.2 The attorneys' fees and expenses, as awarded by the Court, shall be paid to Co-Lead Counsel from the Settlement Fund, as ordered, immediately after an award by the Court, subject to the joint and several obligation of Co-Lead Counsel to make appropriate refunds or repayments to the Settlement Fund plus interest (accrued as from the date the funds of the Settlement Fund are deposited with the Escrow Agent until the date the appropriate refunds or repayments are made), if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed.

6.3 The Settlement is not contingent on the allowance or disallowance of any requested Fee and Expense Award and Plaintiffs' Fee and Expense Application, and any such allowance or disallowance will not be grounds for terminating the Settlement. Any order or proceedings relating to the Fee and Expense Application, or Plaintiffs' expenses application, or any appeal from any order relating to either of the foregoing or reversal or modification of either of the foregoing, shall not operate to terminate or cancel the Stipulation, or affect or delay the finality of the Judgment or the Settlement (including the releases contained therein).

6.4 The Released Defendants' Parties shall have no responsibility for, and no liability whatsoever with respect to: any Fee and Expense Application that Co-Lead Counsel and Local Counsel may file; any Plaintiffs' expenses application that Plaintiffs or Co-Lead Counsel and

Local Counsel may file; any payments to Co-Lead Counsel pursuant to ¶¶ 6.1 and 6.2, above; or any Fee and Expense Award that the Court may make in the Action.

VII. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

7.1 The Effective Date of the Stipulation and the Settlement shall be conditioned on the occurrence of all of the following events:

(a) the Settlement Amount has been paid into the Settlement Fund as required by ¶ 2.2 of this Stipulation;

(b) the Court has entered the Preliminary Approval Order substantially in the form attached hereto as Exhibit A as referenced in ¶ 3.1 of this Stipulation;

(c) the Court has entered the Judgment, or a judgment substantially in the form of Exhibit B hereto, which, *inter alia*, dismisses the Action with prejudice as to all Defendants and includes the releases set forth in this Stipulation; and

(d) the Judgment has become Final.

7.2 Upon the occurrence of all of the events referenced in ¶ 7.1 of this Stipulation, any and all remaining interest or right of Defendants in or to the Settlement Fund, if any, shall be absolutely and forever extinguished. If all of the conditions specified in ¶ 7.1 of this Stipulation are not met, then the Stipulation shall be canceled and terminated subject to ¶ 7.4 of this Stipulation unless Co-Lead Counsel and counsel for Defendants mutually agree in writing to proceed with the Settlement.

7.3 Unless otherwise ordered by the Court, in the event that the Effective Date does not occur or the Stipulation shall terminate, or be canceled, or shall not become effective for any reason, including, without limitation, in the event that the Settlement is not approved by the Court or the Judgment is reversed or vacated following any appeal taken therefrom, then within ten (10)

business days after written notification of such event is sent by counsel for Honeywell to the Escrow Agent, the Settlement Fund (including accrued interest), including the Settlement Amount, plus the Class Notice and Administration Fund (including accrued interest), and the Net Settlement Fund, and all payments disbursed, including all expenses, costs, and any Fee and Expense Award and any Plaintiffs' time and expense allocations – excluding only administration costs which have already been incurred in connection with providing notice and other reasonable administrative costs of implementing the Settlement shall be refunded by the Escrow Agent to Honeywell or its insurer pursuant to written instructions from Honeywell's counsel.

7.4 In the event that the Settlement is not approved by the Court or is terminated or fails to become effective in accordance with its terms, the Parties shall be restored to their respective positions in the Action as of the moment immediately before the settlement term sheet was executed on November 11, 2021. In such event, the terms and provisions of the Stipulation and any document executed pursuant to or in furtherance of the Stipulation or the Settlement, with the exception of ¶¶ 2.11, 7.3-7.5, and 8.4, shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other proceeding for any purpose, and any order entered by the Court in accordance with the terms of the Stipulation shall be treated as vacated, *nunc pro tunc*.

7.5 If the Effective Date does not occur, or if the Stipulation is terminated pursuant to its terms, neither Plaintiffs nor Co-Lead Counsel nor Local Counsel shall have any obligation to repay any amounts disbursed from the Class Notice and Administration Fund. In addition, any expenses already incurred and properly chargeable to the Class Notice and Administration Fund pursuant to ¶ 2.10 of this Stipulation at the time of such termination or cancellation, but which have not been paid, shall be paid by the Escrow Agent in accordance with the terms of the

Stipulation prior to the balance being refunded in accordance with ¶¶ 2.10 and 7.3 of this Stipulation.

7.6 Simultaneously herewith, the Parties, by and through their respective counsel, are executing a Supplemental Agreement, attached hereto as Exhibit C, which gives Honeywell the right, but not the obligation, to terminate the Settlement in the event that a certain portion of the Class delivers timely and valid requests for exclusion from the Class (the “Supplemental Agreement”).

VIII. Miscellaneous Provisions

8.1 The Parties acknowledge that it is their intent to consummate this Settlement; and agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of the Stipulation and to exercise their reasonable best efforts to accomplish the terms and conditions of the Stipulation.

8.2 Subject to the terms of this Stipulation, the Parties intend this Settlement to be a full and complete resolution of all disputes that Plaintiffs and the Class have with the Released Defendants’ Parties, and that Defendants have with the Released Plaintiffs’ Parties, with respect to the Released Claims and the Released Defendants’ Claims, respectively. The Settlement comprises claims which are contested and shall not be deemed an admission by any Plaintiff or Defendant as to the merits of any claim or defense. The Judgment will contain a statement that during the course of the Action, Plaintiffs, Defendants, and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11. In addition, Plaintiffs and the Class will not make applications against the Released Defendants’ Parties, and Defendants will not make applications against the Released Plaintiffs’ Parties for fees, costs or sanctions, pursuant to Rule 11, Rule 37, Rule 45 or any other court rule or statute, with respect to any claims or defenses in this Action or to any aspect of the institution, prosecution, or defense of the Action.

While retaining its right to deny any wrongdoing and/or liability, Honeywell agrees that the amount paid to the Settlement Fund and the other terms of the Settlement were negotiated in good faith by the Parties and reflect a settlement that was reached voluntarily after consultation with competent legal counsel. The Parties agree to refrain from making disparaging statements about the other in any press release, statements to the media, or other public communications (including statements made in court filings or in court) relating to the Settlement, including the claims to be released pursuant to the Settlement, including prior to the Effective Date. Nothing in this paragraph shall limit Honeywell's ability to continue to publicly state that it believes that the Co-Lead Plaintiffs' claims lack merit and that it denies wrongdoing as well as any liability for the claims made against Honeywell.

8.3 Neither the Term Sheet, the Stipulation, nor the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of the Released Defendants' Parties, or; (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Defendants' Parties in any civil, criminal, administrative, or other proceeding before any court, administrative agency, arbitration tribunal, or other body. Any of the Released Defendants' Parties may file the Stipulation and/or the Judgment in any action or other proceeding that may be brought against them in order to support a defense, argument, or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or similar defense, argument, or counterclaim.

8.4 All agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Stipulation, pursuant to their terms.

8.5 All of the Exhibits to the Stipulation are material and integral parts hereof and are fully incorporated herein by reference. In the event there exists a conflict or inconsistency between the terms of the Stipulation, on the one hand, and any Exhibit on the other, the terms of this Stipulation shall govern.

8.6 The Stipulation may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

8.7 The Stipulation and the executed or so ordered versions of those ancillary documents which are attached hereto as Exhibits constitute the entire agreement among the Parties and no representations, warranties or inducements have been made to any party concerning the Stipulation or its Exhibits other than the representations, warranties, and covenants contained and memorialized in such documents. Except as otherwise provided herein, Plaintiffs shall not be responsible for any costs borne by Defendants or their counsel, and Defendants shall not be responsible for any costs borne by Plaintiffs or their counsel.

8.8 Co-Lead Counsel, on behalf of the Class, are expressly authorized by Co-Lead Plaintiffs to take all appropriate action required or permitted to be taken by the Class pursuant to the Stipulation to effectuate its terms and also are expressly authorized to enter into any modifications or amendments to the Stipulation on behalf of the Class which Co-Lead Counsel deem appropriate.

8.9 Each counsel or other Person executing the Stipulation or any of its Exhibits on behalf of any party hereto hereby warrants that such Person has the full authority to do so.

8.10 The Stipulation may be executed by electronic signature, in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

8.11 The Stipulation shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties.

8.12 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Stipulation, and all Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement. The Parties agree that any action based on this Stipulation or to enforce any of its terms shall be brought in this Court.

8.13 Plaintiffs and Co-Lead Counsel represent and warrant that none of Co-Lead Plaintiffs' claims or causes of action in the Action have been assigned, encumbered, or in any manner transferred in whole or in part.

8.14 All terms of this Stipulation and the executed or so ordered versions of those ancillary documents which are attached hereto as Exhibits shall be governed by and interpreted according to the substantive laws of the State of New York, without giving regard or effect to its choice-of-law rules, except to the extent that federal law requires the application of federal law.

8.15 The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

8.16 The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation. Unless otherwise stated herein, any breach of any provision of this Stipulation by any Party hereto shall not constitute grounds for rescission of this Stipulation but shall constitute grounds only for a claim for specific performance for breach of this Stipulation.

IN WITNESS THEREOF, the Parties hereto have caused the Stipulation to be executed,
by their duly authorized attorneys dated this 7th day of December 2021.

HONEYWELL INTERNATIONAL INC., et al.)	<u>SETTLEMENT AND</u>

)	EXHIBIT A
)	

This Court, having reviewed and considered the Parties’ Stipulation of Settlement dated December 7, 2021, and Plaintiffs’ motion for an order preliminarily approving the Settlement, ORDERS:

1. The Court preliminarily approves the Stipulation and the Settlement, subject to further consideration at the Settlement Hearing described below.

2. Pursuant to Rules 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure, the Court preliminarily certifies, for settlement purposes only, a settlement class consisting of all those who purchased or otherwise acquired the common stock of Honeywell International Inc. during the period from February 9, 2018, through and including October 19, 2018 (the “Class Period”), and were damaged thereby, excluding Defendants, officers, and directors of Honeywell, members of their immediate families and their legal representative, heirs, successors, or assigns, and any entity in which Defendants have or had a controlling interest.

3. The Court has determined preliminarily and for the purpose of Settlement only that: (a) the Class is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Class; (c) the claims or defenses of Plaintiffs are typical of the

Class; and (d) Plaintiffs will fairly and adequately protect the interests of the Class. The Court further preliminarily finds, and for purpose of Settlement only, that the questions of law or fact common to Class Members predominate over any questions affecting individual members, including but not limited to whether Honeywell published materially false and/or misleading statements between February 9, 2018 and October 19, 2018, as alleged by Plaintiffs. The Court also preliminarily finds, and for purpose of Settlement only, that a class action is superior to other available methods for the fair and efficient adjudication of this controversy.

4. The Settlement Hearing shall be held before this Court on _____, at _____, before the Honorable William J. Martini, U.S.D.J. in Courtroom MLK 4B of the Martin Luther King Building & U.S. Courthouse at 50 Walnut Street, Newark, New Jersey 07101, to determine whether the proposed Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Class and should be approved by the Court; whether the Class should be certified pursuant to Rule 23 of the Federal Rules of Civil Procedure; whether a Judgment as provided in the Stipulation and its Exhibit B, which, *inter alia*, dismisses the Action with prejudice as to all Defendants and contains releases, should be entered; whether the proposed Plan of Allocation should be approved; and to determine the amount of reasonable fees, time, costs, expenses, if any, that should be awarded to Co-Lead Counsel and Local Counsel. The Court may adjourn the Settlement Fairness Hearing, or determine that such hearing should be conducted remotely, by Order publicly available on PACER.

5. The Court approves, as to form and content, the Notice of Pendency and Proposed Settlement of Class Action (the “Notice”), the Proof of Claim and Release form (the “Claim Form”), the Summary Notice (the “Summary Notice”), and the Postcard Notice (the “Postcard Notice”), included respectively as Exhibits A-1, A-2, A- 3, and A-4 to the Stipulation, and finds

that the mailing and email distribution of the Postcard Notice and Summary Notice and publishing of the Summary Notice substantially in the manner and form set forth therein meet the requirements of Federal Rule of Civil Procedure 23 and due process, and constitute the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

6. The Court further reserves the right to enter a Final Judgment and Order of Dismissal with Prejudice that approves the Settlement and dismisses the Action on the merits and with prejudice regardless of whether the Court has approved the Plan of Allocation, or awarded attorneys' fees and expenses or Co-Lead Plaintiffs' time and expenses

7. The Court appoints Epiq Class Action and Claims Solutions, Inc. ("Claims Administrator") to supervise and administer the notice procedure as well as the processing of claims as more fully set forth below:

(a) Not later than 14 days after entry of this order (the "Notice Date"), Co-Lead Counsel shall cause a link to the Summary Notice and the Claim Form, substantially in the forms annexed as Exhibits A-3 and A-2 hereto and hosted on a website of Co-Lead Counsel or a website maintained by Co-Lead Counsel, to be emailed to all Class Members who can be identified with reasonable effort and whose last-known email addresses have been provided by Defendants and/or banks, brokerage houses, or other nominees. Where a last-known email address has not been provided or where an email is returned as being undeliverable, Co-Lead Counsel shall cause a copy of the Postcard Notice (substantially in form annexed as Exhibit A-4 hereto) and the Claim Form to be mailed by first class mail to all Class Members who can be identified with reasonable effort.

(b) Not later than 21 days after the issuance of this Order, Co-Lead Counsel shall cause the Summary Notice to be published twice in nationally distributed, business-focused

newswires, and not later than 21 days after the issuance of this Order, Co-Lead Counsel shall place a copy of the Complaint and the Stipulation (including Exhibits) on the website of Co-Lead Counsel or a website maintained by Co-Lead Counsel.

(c) Not later than 30 days after the issuance of this Order, Co-Lead Counsel shall cause to be served on Defendants' counsel and filed with the Court proof, by affidavit or declaration, of the mailing and publishing described above.

(d) Not later than 7 days prior to the Settlement Hearing, Co-Lead Counsel shall cause the Claims Administrator to submit a report outlining the implementation of the Notice, including how many Notices were sent, how many Claim Forms were submitted, how many Claim Forms were approved, how many Claim Forms were rejected, and the total dollar amount of approved Claim Forms to-date.

8. Nominees who purchased or otherwise acquired common stock of Honeywell for the benefit of Class Members between February 9, 2018 and October 19, 2018, inclusive, shall send the Notice and Claim Form to all such Class Members within ten (10) days after receipt of the Notice or send a list of the names and addresses of such beneficiaries to the Claims Administrator within ten (10) days of receipt of the Notice. Co-Lead Counsel shall, if requested, reimburse, out of the Class Notice and Administration Fund, banks, brokerage houses or other nominees solely for their reasonable, documented out-of-pocket expenses incurred in providing notice to beneficiaries who are Class Members up to \$0.05 for providing names, addresses and email addresses to the Claims Administrator; up to a maximum of \$0.05 per Postcard Notice mailed by nominees, plus postage at the rate used by the Claims Administrator; or \$0.05 per notice sent by email.

9. All Class Members shall be bound by all determinations and judgments in the

Action concerning the Settlement, whether favorable or unfavorable to the Class.

10. Class Members who wish to participate in the Settlement shall complete and submit a Claim Form in accordance with the instructions contained therein. Unless the Court orders otherwise, all Claim Forms must be postmarked no later than _____. Any Class Member who does not timely submit a Claim Form within the time provided for shall be barred from sharing in the distribution of the proceeds of the Net Settlement Fund, unless otherwise ordered by the Court.

11. Any Person who desires to request exclusion from the Class shall do so within the time set forth and in the manner described in the Notice. All Persons who submit valid and timely requests for exclusion in the manner set forth in the Notice shall have no rights under the Stipulation, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Stipulation or the Judgment.

12. Class Members may enter an appearance in the Action, at their own expense, individually or through counsel of their own choice. Class Members who do not enter an appearance will be represented by Co-Lead Counsel.

13. Class Members may appear and show cause if they have any reason why the proposed Settlement of the Action should or should not be approved as fair, reasonable, and adequate, why a judgment should or should not be entered thereon, why the Plan of Allocation should or should not be approved, why attorneys' fees and expenses should or should not be awarded to Co-Lead Counsel or why compensatory awards should not be provided to Co-Lead Plaintiffs.

14. Any Class Member who does not make a written objection in the manner provided and/or appear in person or through a representative at the Settlement Hearing shall be deemed to

have waived such objection and shall forever be foreclosed from making any objection to the fairness or adequacy of the Settlement, to the Plan of Allocation, to the award of attorneys' fees and expenses to Co-Lead Counsel and Local Counsel.

15. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to the Stipulation and Plan of Allocation.

16. No Released Defendants' Parties or Released Plaintiffs' Parties shall have any responsibility for or liability with respect to the Plan of Allocation or any application for attorneys' fees or reimbursement of expenses submitted by Co-Lead Counsel and Local Counsel, and such matters will be considered separately from the fairness, reasonableness, and adequacy of the Settlement.

17. At or after the Settlement Hearing, the Court will determine whether the Plan of Allocation proposed by Co-Lead Counsel, and any application for attorneys' fees or reimbursement of expenses, shall be approved.

18. All reasonable expenses incurred in identifying and notifying Class Members, as well as administering the Settlement Fund, shall be paid as set forth in the Stipulation. In the event the Settlement is not approved by the Court, or otherwise fails to become effective, neither Plaintiffs nor Co-Lead Counsel shall have any obligation to repay any amounts actually and properly disbursed from the Class Notice and Administration Fund.

19. Neither this Order, the Term Sheet, the Stipulation, the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them, shall be construed as an admission or concession by any Released Person of the truth of any of the allegations in the Action,

or of any liability, fault, or wrongdoing of any kind and shall not be construed as, or deemed to be evidence of, or an admission or concession that, Plaintiffs or any Class Members have suffered any damages, harm, or loss.

20. In the event that the Settlement does not become Final in accordance with the Stipulation or the Effective Date does not occur, this Order shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated. In such event, all orders entered and releases delivered in connection herewith shall also be null and void to the extent provided by and in accordance with the Stipulation.

21. The Court reserves the right to continue the Settlement Hearing without further notice to the Class Members and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Settling Parties, if appropriate, without further notice to the Class.

22. Pending the Settlement Hearing, all Class Members are enjoined from initiating or prosecuting any actions or claims against any Released Defendants' Parties that are within the scope of the releases provided for by the Stipulation.

23. The following schedule of dates shall govern the resolution of this Settlement:

 THE HONORABLE WILLIAM J. MARTINI
 UNITED STATES DISTRICT JUDGE
 FOR THE DISTRICT OF NEW JERSEY

**NOTICE OF PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT,
MOTION FOR ATTORNEYS' FEES AND SETTLEMENT HEARING**

If you purchased or otherwise acquired Honeywell International Inc. common stock (trading symbol HON) between February 9, 2018, and October 19, 2018, inclusive, you could get a payment from a class action settlement.¹

A federal court authorized this Notice. This is not a solicitation from a lawyer.

- The Settlement resolves a federal class action lawsuit alleging that Honeywell International Inc. (“Honeywell”) and certain of its officers and directors violated the Securities Exchange Act of 1934 (the “Exchange Act”), and Rule 10b-5 promulgated thereunder, by making materially false and misleading statements and omissions that concealed the true extent of Honeywell’s Bendix-related asbestos liabilities and the sufficiency of its internal controls over financial reporting and public disclosures concerning the same that maintained the price of Honeywell’s stock or otherwise prevented it from falling over the course of the Class Period.
- Defendants (as defined below) deny Plaintiffs’ allegations. The Parties disagree on, among other things, whether Defendants violated any federal securities laws and whether the alleged violations actually caused any damages to the Class Members.
- The federal court has certified, for settlement purposes only, a class consisting of all persons who purchased the common stock of Honeywell International Inc. during the period from February 9, 2018, through October 19, 2018 (the “Class Period”), inclusive, and who were allegedly damaged thereby (the “Settlement Class”). Excluded from the Settlement Class are Defendants, the officers and directors of the Company at all relevant times, members of their immediate families and their legal representatives, heirs, successors, or assigns, and any entity in which Defendants have or had a controlling interest.
- The Settlement will provide a \$10,000,000 cash Settlement Fund for the benefit of Class Members who purchased or otherwise acquired Honeywell common stock between February 9, 2018, and October 19, 2018, inclusive. The minimum “average recovery per damaged share” of Honeywell common stock under the Settlement is \$0.11 before deduction of fees and expenses.
- The Court-appointed Co-Lead Plaintiffs are Charles M. Francisco, III and Iron Workers Local 580 – Joint Funds (collectively, “Co-Lead Plaintiffs” or “Plaintiffs”). The Defendants are Honeywell International Inc., Darius Adamczyk, and Thomas A. Szlosek (the “Individual Defendants”) (collectively, “Defendants”).

¹ All capitalized terms not otherwise defined in this document shall have the meaning provided in the Stipulation of Settlement, dated December 7, 2021.

- Your legal rights are affected whether you act or do not act. Read this Notice carefully.

SUMMARY OF THIS NOTICE

Statement of Class Recovery Under the Settlement

Pursuant to the Settlement described herein, a \$10,000,000 cash Settlement Fund has been established. Plaintiffs estimate that there were approximately 112,000,000 million Honeywell common stock shares traded during the Class Period that may have been damaged. Plaintiffs estimate that the minimum “average recovery per damaged share” of Honeywell common stock under the Settlement is \$0.11 before deduction of fees and expenses. A Class Member’s actual recovery will be a proportion of the Net Settlement Fund (defined below), determined by that Claimant’s recognized loss (*i.e.*, a claim proved by timely submission of a valid Proof of Claim and Release form) as compared to the total recognized losses of all Class Members. This proportional allocation is called “proration.” *See* the Plan of Allocation beginning on Page 12 for more information.

Statement of Claims, Issues, Defenses, and Potential Outcome of Case

Plaintiffs allege that Defendants violated Section 10(b) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, by making materially false and misleading statements and omissions that concealed the true extent of Honeywell’s Bendix-related asbestos liabilities and the sufficiency of its internal controls over financial reporting and public disclosures concerning the same.

Defendants moved to dismiss Plaintiffs’ Amended Class Action Complaint (“AC”), denying all claims and contentions alleged by Plaintiffs in this Action, and maintaining that Plaintiffs did not adequately allege any valid claim under the federal securities laws. Plaintiffs filed their opposition to that motion, and Defendants filed a reply. After that motion to dismiss was fully briefed, on May 18, 2020, the Motion to Dismiss was denied, in part, by Judge William J. Martini.

At the time the settlement was reached, Plaintiffs faced the possibility that the Class in this Action would not be certified and that the Action would not survive summary judgment. Had the case gone to trial, Defendants would have asserted a myriad of factual and legal defenses, including that Honeywell and the Individual Defendants fully complied with the federal securities laws and did not make any materially untrue or misleading statements or omissions. Defendants would also contest: (1) the measure and amount of recoverable damages, if any; (2) the extent to which the statements that Plaintiffs alleged as materially false or misleading influenced (if at all) the trading prices of Honeywell common stock at various times during the relevant time period; and (3) their alleged scienter.

Furthermore, to the extent Plaintiffs succeeded on any claims, Defendants could appeal, which could result in additional years of litigation with no certainty as to outcome. Thus, had this Action continued, Plaintiffs and the proposed Class could face the possibility of obtaining no recovery. This Settlement enables the Class to promptly recover a meaningful percentage of the alleged damages as calculated by Co-Lead Counsel in conjunction with their economic consultant,

without incurring any additional risk. As a result, Plaintiffs and Counsel believe this settlement is a fair and reasonable recovery.

The Parties disagree on the amount of damages, if any, which would have been recoverable had Plaintiffs prevailed on all claims in this litigation. Plaintiffs contend that the misrepresentations and omissions alleged in the AC were the direct cause of the artificial elevation and eventual decline in the price of Honeywell's common stock and caused Plaintiffs and the Class to be damaged. Plaintiffs further contend that the alleged stock decline is fully attributable to the alleged misrepresentations and omissions set forth in the AC. Defendants contend that they made no misrepresentations or omissions, but in all events the alleged misrepresentations and/or omissions set forth in the AC did not cause a decline in Honeywell's common stock and, therefore, Plaintiffs and the Class have not been damaged.

Statement of Attorneys' Fees and Costs Sought

Co-Lead Counsel will move the Court to award attorneys' fees in an amount not greater than twenty-nine and two-tenths percent (29.2%) of the gross Settlement Fund, and reimbursement of expenses incurred in connection with the prosecution of this action not to exceed \$175,000. The requested fees and expenses would amount to an average of not more than \$0.027 per damaged share in total for fees and expenses for Honeywell common stock shares. *See* Questions 8-11 below for more information. Class Members are not personally liable for any such fees, expenses, or compensation.

Further Information

Further information regarding the Action and this Notice of Pendency of Class Action and Proposed Settlement, Motion for Attorneys' Fees and Settlement Hearing (the "Notice") may be obtained by contacting Co-Lead Counsel: Lewis S. Kahn, Esq., Kahn Swick & Foti, LLC, 1100 Poydras Street, Suite 3200, New Orleans, Louisiana 70163, Telephone: 504-455-1400.

Reasons for the Settlement

For Plaintiffs, the principal reason for the Settlement is the benefit to be provided to the Class now. This benefit must be compared to the risk that no recovery might be achieved after a contested trial and likely appeals, possibly years into the future. Plaintiffs further considered, after conducting a substantial investigation into the facts of the case, the risks to proving liability and damages and to sustaining a certified class through trial. For Defendants, who deny all allegations of wrongdoing or liability, the principal reason for the Settlement is to eliminate the expense, risks, and uncertain outcome of the litigation.

HOW YOU GET A PAYMENT—SUBMITTING A PROOF OF CLAIM FORM

1. How can I get a payment?

To qualify for a payment, you must send in a Proof of Claim and Release form (“Claim Form”). A Claim Form is being circulated with this Notice. You may also get a Claim Form on the Internet at www.honeywellsecuritieslitigation.com. Read the instructions carefully, fill out the Claim Form, include all the documents the form asks for, sign it, and mail it postmarked no later than _____.

2. When would I get my payment?

The Court will hold a hearing on _____, to decide whether to approve the settlement. If the Court approves the settlement, after that, there may be appeals by Class Members. Resolving appeals can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed.

3. What am I giving up to get a payment?

Unless you specifically exclude yourself, you will be treated as a member of this class action. This means that upon the Effective Date, you will relinquish all Released Claims against the Released Defendants’ Parties. These terms are defined below:

“Released Claims” means all claims (including but not limited to Unknown Claims), demands, losses, rights, liabilities, suits, debts, obligations, damages, judgments, matters, issues, and causes of action of any nature and description whatsoever, in law, equity, or otherwise, whether accrued or unaccrued, fixed or contingent, liquidated or unliquidated, direct or indirect, known or unknown, whether arising under federal, state, local, statutory, common law, foreign law, or any other law, rule, or regulation, whether class and/or individual in nature that have been or could have been asserted in the Action or could in the future be asserted in any forum, whether foreign or domestic, by Plaintiffs, any member of the Class, or their successors, assigns, executors, administrators, representatives, attorneys and agents, whether brought directly, indirectly, or derivatively against any of the Released Defendants’ Parties, which arise out of, are based on, or relate in any way to, directly or indirectly, any of the allegations, acts, transactions, facts, events, matters, occurrences, disclosures, statements, filings, events, representations or omissions involved, set forth, alleged or referred to in the Action, or which could have been alleged in the Action, including but not limited to the allegations, transactions, facts, matters, occurrences, disclosures, statements, filings, representations, events, or omissions that Plaintiffs or any other Class Member asserted in the Complaint, and which arise out of, are based upon, or relate in any way, directly or indirectly, to the purchase, acquisition, transfer, holding, ownership, disposition or sale of Honeywell common stock, by any members of the Class during the Class Period, and/or any disclosures, public filings, registration statements, or other statements by Honeywell or any Defendant based upon or arising out of any facts, matters, allegations, transactions, events, disclosures, statements, acts or omissions that were asserted or could have been asserted in this Action or in any other action or forum, whether arising under federal, state, common or foreign law. The “Released Claims” shall not include releases of any

purported derivative claims asserted in the action captioned *In re Honeywell International Inc. Consolidated Stockholder Litigation*, C.A. No. 19-cv-00898-CFC pending in the United States District Court for the District of Delaware, or any related action that was filed on or before November 11, 2021. For the avoidance of doubt, “Released Claims” does not include claims to enforce the Settlement.

“Released Defendants’ Parties” means each and all of the Defendants, each of their respective spouses and immediate family members (for individuals) and past, present and future direct and indirect parent entities, parent corporations, sister corporations, subsidiaries, related entities and affiliates, and, as applicable, their respective past and present general partners, limited partners, principals, shareholders, investors (however denominated), joint ventures, members, officers, directors, managers, managing directors, supervisors, employees, contractors, servants, consultants, auditors, accountants, financial advisors, professional advisors, investment bankers, representatives, insurers, trustees, trustors, agents, attorneys, legal representatives, professionals, predecessors, successors, assigns, assignors, legatees, devisees, estates, settlors, beneficiaries, heirs, executors, successors-in-interest, administrators, and any controlling person thereof.

“Released Plaintiffs’ Parties” means each and all of the plaintiffs, consisting of Plaintiffs and members of the Class, and, as applicable, their respective family members, and their respective past, present and future general partners, limited partners, principals, shareholders, investors (however denominated), joint ventures, members, officers, directors, managers, managing directors, supervisors, employees, contractors, consultants, auditors, accountants, financial advisors, professional advisors, investment bankers, representatives, insurers, trustees, trustors, agents, attorneys, professionals, predecessors, successors, assigns, heirs, executors, administrators, and any controlling person thereof.

The “Effective Date” will occur when an order entered by the Court approving the Settlement becomes final and not subject to appeal.

If you remain a Member of the Class, all of the Court’s orders will apply to you and legally bind you.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, but you want to keep any right you may have to sue or continue to sue the Defendants and the other Released Defendants’ Parties in some other lawsuit as to the Released Claims in this lawsuit, then you must take steps to remove yourself from this lawsuit. This is called excluding yourself from or “opting out” of the Class. If more than a certain percentage of Class Members opt out or exclude themselves from the Class, Defendants may withdraw from and terminate the Settlement.

4. How do I exclude myself from the proposed settlement?

To exclude yourself from the Class, you must send a signed letter by mail stating that you “request exclusion from the Class in *Kanefsky v. Honeywell International Inc., et al.*, Civil Action No. 2:18-cv-15536.” Your letter should state the date(s), price(s), and number of shares of all your purchases and sales of Honeywell common stock in Covered Transactions during the Class Period. In addition, be sure to include your name, address, telephone number, and signature. You must mail your exclusion request postmarked no later than _____ to:

(by express delivery service)

You cannot exclude yourself by telephone or by email. If you ask to be excluded, you will not get any settlement payment and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue (or continue to sue) the Defendants and the other Released Defendants’ Parties in the future. If you exclude yourself, do not send in a Claim Form to ask for any money.

5. If I do not exclude myself from the Settlement, can I sue the Defendants and the other Released Defendants’ Parties later for the same alleged conduct?

No. Unless you exclude yourself, you give up any rights to sue the Defendants and the other Released Defendants’ Parties for any and all Released Claims. If you have a pending lawsuit, speak to your lawyer in that case immediately. You must exclude yourself from *this* Class to continue your own lawsuit. Remember, the exclusion deadline is _____.

6. If I exclude myself from the settlement, can I get money from the proposed settlement?

No, but you may exercise any right you may have to sue, continue to sue, or be part of a different lawsuit against the Defendants and the other Released Defendants’ Parties.

IF YOU DO NOTHING

7. What happens if I do nothing at all?

The judgment of the Court will be binding upon you if you do nothing. You will get no money from this Settlement and you will be precluded from starting a lawsuit, continuing with a lawsuit, or being part of any other lawsuit against the Defendants and the other Released Defendants’ Parties about the Released Claims in this case, ever again. To share in the Net Settlement Fund, you must submit a Claim Form (*see* Question 1). To start, continue, or be a part

of any other lawsuit against the Defendants and the other Released Defendants' Parties about the Released Claims in this case, you must exclude yourself from this Class (*see* Question 4).

THE LAWYERS REPRESENTING CLASS MEMBERS

8. Do I have a lawyer in this case?

The Court ordered that the law firms of Kahn Swick & Foti, LLC and Pomerantz LLP represent all Class Members. These firms are called Co-Lead Counsel. You will not be separately charged for these lawyers. The Court will determine the amount of Co-Lead Counsel's fees and expenses, which will be paid from the gross Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

9. How will Co-Lead Counsel and Local Counsel be paid?

Co-Lead Counsel will move the Court to award plaintiff's counsel's attorneys' fees from the gross Settlement Fund in a total amount not greater than twenty-nine and two-tenths percent (29.2%) of the gross Settlement Fund, and reimbursement of their expenses in an amount no greater than \$175,000, plus interest on such expenses may be sought. Co-Lead Counsel also intends to request the Court grant compensatory awards to Co-Lead Plaintiffs not to exceed \$10,000 each.

10. How will the notice costs and expenses be paid?

Co-Lead Counsel is authorized by the Stipulation to pay the Claims Administrator's fees and expenses incurred in connection with giving notice, administering the settlement, and distributing the settlement proceeds to the members of the Class. The Claims Administrator's fees and expenses will be paid out of the gross Settlement Fund. The Claims Administrator was selected through a competitive bidding process and multiple bids were reviewed and considered.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or some part of it.

11. How do I object to the Settlement?

If you are a Class Member, you can object to the Settlement or any of its terms, the proposed Plan of Allocation, and/or the application by Co-Lead Counsel for an award of fees and expenses. You may write to the Court setting out your objection(s). You should state reasons why you think the Court should not approve any or all of the settlement terms or arrangements.

You must object in writing by sending a signed letter stating that you object to the proposed settlement in *Kanefsky v. Honeywell International Inc., et al.*, Civil Action No. 2:18-cv-15536. Your objection must include a cover page identifying this case name and number and naming the hearing date of ____, at ____ in Courtroom MLK 4B of the Martin Luther King Building & U.S. Courthouse at 50 Walnut Street, Newark, New Jersey 07101. Be sure to include your name,

address, telephone number, and signature; identify the date(s), price(s), and number of shares of all purchases and sales of Honeywell common stock you made during the Class Period and state the reasons why you object to the Settlement. You do not need to go to the Settlement Hearing to have your written objection considered by the Court.

At the Settlement Hearing, any Class Member who has not previously submitted a request for exclusion from the Class may appear and be heard, to the extent allowed by the Court, to state any objection to the settlement, the Plan of Allocation, or Co-Lead Counsel's motion for an award of attorneys' fees and reimbursement of expenses. Any such objector may appear in person or arrange, at that objector's expense, for a lawyer to represent the objector at the Settlement Hearing. If you or your representative intend to appear in person but have not submitted a written objection postmarked by _____, it is recommended that you give advance notice to Co-Lead Counsel for the Class and/or counsel for Defendants of your intention to attend the hearing in order to object and the basis for your objection. You may contact them at the addresses provided above.

12. What is the difference between objecting to the Settlement and excluding myself from the Settlement?

Objecting is simply telling the Court that you do not like something about the proposed settlement. You can object only if you remain in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT’S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed settlement. You may attend and you may ask to speak, but you do not have to.

13. When and where will the Court decide whether to approve the proposed settlement?

The Court will hold a Settlement Hearing on _____, at _____ in Courtroom MLK 4B of the Martin Luther King Building & U.S. Courthouse at 50 Walnut Street, Newark, New Jersey 07101. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. At the Settlement Hearing, the Court also will consider the proposed Plan of Allocation for the proceeds of the Settlement and the application of Co-Lead Counsel for attorneys’ fees and reimbursement of expenses. The Court will take into consideration any written objections mailed in accordance with the instructions in the answer to Question 11. The Court also will listen to people who seek to speak at the hearing, but decisions regarding the conduct of the hearing will be made by the Court. *See* Question 11 for more information about speaking at the hearing. The Court will also decide how much to pay to Co-Lead Counsel and Local Counsel. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

You should be aware that the Court may change the date and time of the Settlement Hearing. Thus, if you want to come to the hearing, you should check with Co-Lead Counsel before coming to be sure that the date and/or time has not changed.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

This Plan of Allocation has been prepared by Plaintiffs and Co-Lead Counsel with the assistance of their economics consultant. Defendants dispute that any damages were suffered by any Members of the Class.

The \$10,000,000 cash Settlement Amount and the interest earned thereon shall be the gross Settlement Fund. The gross Settlement Fund, less all taxes and approved costs, fees, and expenses (the “Net Settlement Fund”) shall be distributed to Members of the Class who submit acceptable Claim Forms (“Authorized Claimants”).

The Claims Administrator shall determine each Authorized Claimant’s *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant’s recognized loss. The recognized loss formula is not intended to be an estimate of the amount a Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the settlement. The recognized loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants.

The following proposed Plan of Allocation reflects the allegations in the Amended Class Action Complaint (the “AC”) that Defendants made materially false and misleading statements and omissions that concealed the true extent of Honeywell’s Bendix-related asbestos liabilities and the sufficiency of its internal controls over financial reporting and public disclosures concerning the same. The AC alleges that these misrepresentations resulted in the artificial inflation of the prices of the Company’s common stock during the Class Period from February 9, 2018, through October 19, 2018, inclusive. Defendants deny that they did anything wrong.

Each Authorized Claimant shall be paid based on the percentage of the Net Settlement Fund that each Authorized Claimant’s recognized loss bears to the total of the recognized losses of all Authorized Claimants (the “Pro Rata Share”).

Shares eligible for recognizable losses are those shares of Honeywell’s common stock purchased or otherwise acquired in Covered Transactions from February 9, 2018, through October 19, 2018, inclusive.

“Covered Transaction” means either: (i) a transaction in Honeywell common stock in the

United States; or (ii) a transaction in Honeywell common stock on a United States-based stock exchange.

HONEYWELL PLAN OF ALLOCATION

1. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Class Members who suffered economic losses as a result of the alleged violations of the federal securities laws as opposed to losses caused by market or industry factors or company-specific factors unrelated to the alleged violations of law. The Plan of Allocation reflects the allegations of the Complaint and the advice of Co-Lead Plaintiffs' damages expert, including a review of publicly available information regarding Honeywell and statistical analysis of the price movements of Honeywell common stock and the price performance of relevant market and peer indices during the Class Period. The Plan of Allocation, however, is not a formal damages analysis.

2. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the cash in the Net Settlement Fund to Authorized Claimants.

3. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of the security. In this case, Co-Lead Plaintiffs allege that Defendants made false statements and omitted material facts from February 9, 2018 through October 19, 2018, inclusive, that inflated the price of Honeywell common stock. It is alleged that corrective information released to the market on August 23, 2018 (prior to the opening of the market), October 10, 2018 (during trading hours), and October 19, 2018 (prior to the opening of the market) impacted the market price of Honeywell common stock and partially removed alleged artificial inflation from the Honeywell common stock price on August 23, 2018, October 10, 2018, and October 19, 2018.

4. Recognized Loss Amounts for each disclosure date are the greater of: (a) the difference in the amount of alleged artificial inflation (net of market and industry factors) in the price of Honeywell common stock at the time of purchase or acquisition and at the time of sale, or the difference between the actual purchase price and sale price for shares sold prior to the expiration of the 90-day lookback period; or (b) \$0.25. Accordingly, in order to have a Recognized Loss under the Plan of Allocation, a Settlement Class Member who or which purchased or otherwise acquired Honeywell common stock during the Class Period must have held those shares through at least one of the dates where Plaintiffs allege new corrective information was released to the market and partially removed the alleged artificial inflation from the price of Honeywell common stock.

CALCULATION OF RECOGNIZED LOSS

5. A Recognized Loss Amount will be calculated for each share of Honeywell common stock purchased or acquired during the Class Period from February 9, 2018, through October 19, 2018, inclusive. If the calculation of a Recognized Loss Amount for any particular share purchased or acquired during the Class Period results in a negative number, that number shall be set to zero.

6. For each share of Honeywell common stock purchased or acquired during the Class Period, and:

- i. sold before August 23, 2018, the Recognized Loss Amount for each share shall be zero;
- ii. sold from August 23, 2018 through and including the close of market trading on October 18, 2018, the Recognized Loss Amount for each share is *the lesser of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below **minus** the amount of artificial inflation per share on the date of sale as stated in Table 1 below; or (ii) the purchase/acquisition price **minus** the sale price;
- iii. sold from October 19, 2018 through and including the close of market trading on January 16, 2019, the Recognized Loss Amount for each share is *the least of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below; (ii) the purchase/acquisition price **minus** the average closing price between October 19, 2018 and the date of sale as stated in Table 2 below;² or (iii) the purchase/acquisition price **minus** the sale price;
- iv. held as of the close of market trading on January 16, 2019, the Recognized Loss Amount for each share is *the lesser of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table 1 below; or (ii) the purchase/acquisition price **minus** \$141.09, the average closing price of Honeywell common stock between October 19, 2018 and January 16, 2019, as shown on the last line of Table 2 below.

ADDITIONAL PROVISIONS

² Pursuant to Section 21D(e)(1) of the Exchange Act, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Honeywell common stock during the “90-day look-back period,” October 19, 2018 through and including January 16, 2019. The mean (average) closing price for Honeywell common stock during this 90-day look-back period was \$141.09.

7. The sum of a Claimant's Recognized Loss Amounts will be the Claimant's "Recognized Claim."

8. If a Class Member has more than one purchase/acquisition or sale of Honeywell common stock during the Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

9. Purchases or acquisitions of Honeywell common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of Honeywell common stock during the Class Period shall not be deemed a purchase, acquisition, or sale of these Honeywell common stock shares for the calculation of an Authorized Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of such shares of Honeywell common stock unless (i) the donor or decedent purchased or otherwise acquired such shares of Honeywell common stock during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of Honeywell common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

10. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the Honeywell common stock shares. The date of a "short sale" is deemed to be the date of sale of Honeywell common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on "short sales" and the purchases/acquisition covering "short sales" is zero. In the event that a Claimant has an opening short position in Honeywell common stock, the earliest Class Period purchases or acquisitions shall be matched against such opening short position, and not be entitled to a recovery, until that short position is fully covered.

11. With respect to Honeywell common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

12. An Authorized Claimant's Recognized Claim shall be the amount used to calculate the Authorized Claimant's *pro rata* share of the Net Settlement Fund. If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

13. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$20.00 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$20.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

14. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Co-Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$20.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$20.00 on such additional re-distributions may occur thereafter if Co-Lead Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Co-Lead Counsel and approved by the Court.

15. Payment pursuant to the Plan of Allocation, or such other plan as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Co-Lead Plaintiffs, Plaintiffs' Counsel, Co-Lead Plaintiffs' damages expert, or other agent designated by Co-Lead Counsel, Defendants, Defendants' Counsel, or any other Plaintiffs' Releasees or Defendants' Releasees, or the Claims Administrator arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Co-Lead Plaintiffs, Defendants, and their respective counsel, and all of Plaintiffs' Releasees or Defendants' Releasees shall have no liability whatsoever for the investment or distribution of the Settlement Fund, the Plan of Allocation, the determination, administration, calculation, or payment of any Claim or any actions taken (or not taken) by the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

16. The Plan of Allocation set forth herein is the plan that is being proposed by Co-Lead Plaintiffs and Co-Lead Counsel to the Court for approval. The Court may approve this Plan of Allocation as proposed or it may modify the Plan without further notice to the Settlement Class. Any orders regarding a modification of the Plan of Allocation will be posted to the website for this Settlement, www.honeywellsecuritieslitigation.com.

THIS POSTCARD PROVIDES ONLY LIMITED INFORMATION ABOUT THIS SETTLEMENT.

Please visit www.honeywellsecuritieslitigation.com for more information.

The Lawsuit: There has been a proposed Settlement of all claims against Honeywell International Inc. (“Honeywell”) and certain of its officers (collectively, “Defendants”). The Settlement resolves a lawsuit in which Plaintiffs allege that, in violation of the federal securities laws, Defendants misled investors by issuing materially false and misleading statements and causing damages to Class Members. Defendants deny all allegations of wrongdoing.

Who is included in the Settlement? You may be a member of the Class if you purchased or otherwise acquired Honeywell common stock between February 9, 2018 and October 19, 2018, inclusive (“Class Period”).

What does the Settlement provide? The Settlement provides that, in exchange for the settlement and dismissal and release of Defendants, Defendants will pay \$10,000,000 in cash (“Settlement Fund”). The Settlement Fund, plus accrued interest, after deduction of Court-awarded attorneys’ fees and expenses, notice and administration costs, and taxes, will be allocated among Class Members who submit valid claims. Please visit www.honeywellsecuritieslitigation.com for complete details. If you are a Class Member, your pro rata share of the Settlement Fund will depend on the number of valid claims submitted, and the number, size, and timing of your transactions.

What are my rights? *File a Claim:* To be eligible to receive a payment from the Settlement, you must mail or submit a valid Claim Form by _____. To download a detailed Notice and Claim Form, visit www.honeywellsecuritieslitigation.com. *Do Nothing:* If you do nothing, you will not receive any benefits, but you will be bound by the decisions of the Court. *Opt Out:* If you do not wish to participate in the Settlement, you may exclude yourself from the Settlement, and you may be able to sue Defendants about the claims being resolved in this case. To exclude yourself, you must do so in writing by _____. If you exclude yourself, you will not receive money from this Settlement. *Object:* You may object to the Settlement by submitting a written objection to the Court and the Parties by _____.

Other Important Dates: The Court will hold a final Settlement Hearing in this case on ____, at ____, before the Honorable William J. Martini in Courtroom MLK 4B of the Martin Luther King Building & U.S. Courthouse at 50 Walnut Street, Newark, New Jersey 07101, or via telephonic or videoconference means at the Court’s direction, to consider whether to approve the Settlement and a request for attorneys’ fees, costs, and expenses to be paid out of the Settlement Fund. You or your attorney may attend the hearing and ask to be heard by the Court, but you do not have to.

Where can I get more information? For more details, including information on objecting or filing an opt-out, or to file a claim, visit the settlement website at www.honeywellsecuritieslitigation.com, or call the Claims Administrator at 855-604-1686.

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, this Court hereby approves the Settlement and finds that said Settlement is, in all respects, fair, reasonable, adequate to, and in the best interests of, the Co-Lead Plaintiffs, the Released Plaintiffs' Parties, and each of the Class Members. This Court further finds the Settlement is the result of arm's-length negotiations between experienced counsel representing the interests of the Co-Lead Plaintiffs, the Released Plaintiffs' Parties, the Class Members, and the Defendants. Accordingly, the Settlement is hereby approved in all respects and shall be consummated in accordance with its terms and provisions. The Parties are hereby directed to perform the Stipulation.

5. Except as to any individual claim of those Persons who have validly and timely requested exclusion from the Class, the Action and all claims contained therein, as well as all the Settled Claims, are dismissed with prejudice as against each and all of the Released Defendants' Parties, including all Defendants. Co-Lead Plaintiffs, the Released Plaintiffs' Parties, and the Class will not make applications against any of Released Defendants' Parties, and Defendants will not make applications against Co-Lead Plaintiffs or the Released Plaintiffs' Parties, for fees, costs, or sanctions pursuant to Rule 11, Rule 37, Rule 45 or any other court rule or statute, with respect to any claims or defenses in this Action or to any aspect of the institution, prosecution, or defense of this Action.

6. Upon the Effective Date, Co-Lead Plaintiffs, the Released Plaintiffs' Parties, and each of the Class Members, shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims (including Unknown Claims) as against the Released Defendants' Parties, whether or not such Class Member executes and delivers a Claim Form or participates in the Settlement Fund.

7. Upon the Effective Date, all Class Members (including Co-Lead Plaintiffs) and anyone claiming through or on behalf of any of them, except any Person who has validly and timely requested exclusion from the Class, will be forever barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting, or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity) asserting any of the Released Claims against any of the Released Defendants' Parties.

8. Upon the Effective Date, each of the Released Defendants' Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged Co-Lead Plaintiffs, the Released Plaintiffs' Parties, each and all of the Class Members, and Co-Lead Counsel from all claims whatsoever arising out of, relating to, or in connection with the investigation, institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims, except for those claims brought to enforce the Settlement.

9. The Court hereby finds that the distribution of the Notice of Pendency and Proposed Settlement of Class Action, mailing of Postcard Notice, and emailing and publication of the Summary Notice as provided for in the Preliminary Approval Order, as previously ordered at ¶ 7 of the Order Preliminarily Approving Settlement Providing for Notice of Pendency, constituted the best notice practicable under the circumstances – including individual notice to all Class Members who could be identified through reasonable effort – of those proceedings and of the matters set forth therein, including the proposed Settlement, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, and any other applicable law.

10. Neither any objection to this Court's approval of the Plan of Allocation submitted by Co-Lead Counsel nor to any portion of this order regarding the attorneys' Fee and Expense Application shall in any way disturb or affect the finality of this Judgment.

11. Neither the Term Sheet, the Stipulation, nor the Settlement, nor any of their terms or provisions, nor any act performed or document executed pursuant to or in furtherance of them, nor any of the negotiations or proceedings connected with them: (a) is or may be deemed to be or may be used as an admission of, concession or evidence of, the validity of any Released Claim, the truth of any fact alleged in the Action, the deficiency of any defense that has been or could have been asserted in the Action, or of any alleged wrongdoing, liability, negligence, or fault of any Released Defendants' Parties; or (b) is or may be deemed to be or may be used as an admission, concession or evidence of, any fault or misrepresentation or omission of, including with respect to any statement or written document attributed to, approved or made by, any Released Defendants' Parties in any civil, criminal, administrative, or other proceeding before any court, administrative agency, arbitration tribunal, or other body. Any Released Defendants' Parties may file the Stipulation and/or the Judgment in any other action or other proceeding that may be brought against them in order to support a defense, argument, or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense, argument, or counterclaim.

12. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this Settlement; (b) disposition of the Settlement Fund; (c) all Parties hereto for the purpose of construing, enforcing and administering the Stipulation and this Judgment.

13. After completion of the processing of all claims by the Claims Administrator, the Escrow Agent shall disburse the Net Settlement Fund in accordance with the Stipulation and Plan of Allocation without further order of this Court.

14. The Court finds that during the course of the Action, the Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

15. Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court finds and concludes that due and adequate notice was directed to all Class Members advising them: (a) that Co-Lead Counsel would seek an award of attorneys' fees of up to twenty-nine and two-tenths percent (29.2%) of the Settlement Fund on behalf of themselves and Local Counsel, and reimbursement of expenses incurred in connection with the prosecution of the Action not to exceed \$175,000, and Co-Lead Plaintiffs would seek compensatory awards not to exceed \$10,000 each; and (b) that Class Members had a right to object to such application(s). A full and fair opportunity was given to all Persons who are Class Members to be heard with respect to the application for the award of attorneys' fees and expenses. The Court finds and concludes that the requested fee award is reasonable and awards attorneys' fees of _____% percent of the Settlement Fund, plus reimbursement of expenses in the amount of \$ _____, both to be paid from the Settlement Fund pursuant to the Stipulation, upon entry of this Order, and awards Co-Lead Plaintiffs compensatory awards of \$_____ each, to be paid after the Effective Date.

16. Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court finds and concludes that due and adequate notice was directed to all Class Members advising them of the Plan of Allocation and of their right to object, and a full and fair opportunity was given to all Class Members to be heard with respect to the Plan of Allocation. The Court finds that the formula for the calculation of the claims of Authorized Claimants, which is set

forth in the Notice of Pendency and Proposed Settlement of Class Action sent to Class Members, provides a fair and reasonable basis upon which to allocate among Class Members the proceeds of the Settlement Fund established by the Stipulation, with due consideration having been given to administrative convenience and necessity. The Court hereby finds and concludes that the Plan of Allocation set forth in the Notice is in all respects fair and reasonable and the Court hereby approves the Plan of Allocation.

17. This Action is hereby dismissed in its entirety with prejudice as to all Defendants.

18. All agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Order, pursuant to their terms.

19. In the event that the Settlement does not become Final in accordance with the Stipulation, or the Effective Date does not occur, this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated. In such event, all orders entered and releases delivered in connection herewith shall also be null and void to the extent provided by and in accordance with the Stipulation, and this litigation shall revert to the state at which it existed on November 11, 2021.

20. There is no just reason for delay in the entry of this Judgment and immediate entry by the Clerk of the Court is expressly directed pursuant to Rule 54(b) of the Federal Rules of Civil Procedure.
